Golden Jubilee Projects

Holy Cross Church, Pamboor is one of the very active and talented parishes belonging to Udupi Diocese. In order to meet the spiritual and other needs of the people, with the help of the elderly and selfless devotees, some wards belonging to Shirva and Moodubelle Parish were separated and formed as a Parish in the year 1968 under the dynamic leadership of Rev Fr. Denis D'Souza. The Parish is now has grown with 400 families under its spiritual care and is all set to celebrate the GOLDEN JUBILEE of its inception on 10th March, 2018. In the past 46 years the people have been enriched with faith, hope and love. We thank God Almighty for showering his choicest blessings upon us through the Holy Cross, our Patron. At the same time we are deeply indebted to all the parishioners living within the parish and outside for their constant love and concern towards their parish.

With the generous support and financial help extended by our parishioners, a very dynamic and spiritually rich Rev Fr. Paul Rego, who has taken the charge of the Parish as the Parish Priest recently could organize many developmental activities inside the Church, in the Church premises and also in the whole Parish. As the Parish is all set to celebrate its GOLDEN JUBILEE in the year 2018, to make the celebration a memorable one and to meet the continuous spiritual and other needs of the faithful, the Parish Council and the Finance Committee, after several sittings, have decided to take up the following projects, which have been whole heartedly welcomed by the parishioners.

1. **Presbytery (residence for the Parish Priest) and a meeting hall.**
2. **Beautification of the church entrance, Main door and a portico.**
3. **Repair of the church roof by fixing clay tiles.**
4. **Renovation of the church floor.**
5. **Renovation of the altar, sanctuary and new sacristy**
6. **Kneelers in the church.**
7. **Veranda on both sides of the church**
8. **Basic amenities to the needy within the parish.**
9. **Corpus fund for education and medical relief.**

The estimated cost for all these projects is Rs. 4 crores. To mark the beginning of the projects, the parish council has already decided to start the construction of the presbytery (residence for the Parish Priest) at a cost of

Rs. 85 lakhs which has been duly recommended by the Bishop.

We humbly request all our parishioners, well-wishers and donors to help us generously through cash or kind and thus share the joy of fulfilling the church projects. We believe and hope that all these projects will be successfully completed within 2018 with your generous help and support.

Your donations will be accepted with a grateful heart. The donors will have the facility of giving the donation in instalments too. The donors will be honoured as notified below and their names will be etched on the marble during the Golden Jubilee celebration.
